PROFESSIONAL EXPERIENCE

HR Business Partner – Talent & Operations

Aug 2023 – Present

Quvia (Espace Networks) · Chennai, India · SaaS · Product-led org ·

- Embedded HRBP for Engineering, Product & Business units — partnered with senior leaders to convert quarterly OKRs into **actionable headcount plans and hiring roadmaps**, ensuring talent supply aligned with delivery timelines.
- Rebuilt the end-to-end technical hiring framework: introduced **competency-based scorecards and structured panel calibration sessions** — cut candidate rejection rate by **25%** and improved quality-of-hire within two quarters.
- Optimised multi-channel sourcing (referrals, LinkedIn, ATS, talent pipelines) — reduced **time-to-hire by 30%** and **cost-per-hire by 20%**; referral hires grew from <10% to 30%+ of total closures.
- Increased offer-acceptance rate from **70% → 88%** through proactive candidate engagement, compensation benchmarking, and structured post-offer nurturing.
- Designed and rolled out company-wide HR policies (remote work, leave, PIP, grievance redressal) — compliant with India labour law and calibrated to a **fast-scaling product organisation**.
- Built an exit-interview intelligence program — structured data capture, segmentation by team/tenure/reason — presented quarterly **People Insights reports to leadership**, enabling proactive retention interventions before problems escalated.
- Drove employee experience programs (onboarding redesign, manager effectiveness workshops, pulse surveys) contributing to measurable gains in **eNPS and 90-day retention**.
- Managed HRIS operations across Remote, Papaya Global, BambooHR, and GreyHR — maintained payroll accuracy, data integrity, and statutory compliance for a geographically distributed workforce.

- Serve as **Internal Committee (IC) member under the POSH Act** — handle workplace harassment complaints with confidentiality and procedural rigour; conduct fair, time-bound investigations ensuring full compliance with statutory IC obligations.
- Own end-to-end **HR vendor management** — primary point of contact for Naukri, SpringVerify (BGV), and certification/coaching partners; led **subscription cost negotiations and contract finalisation**, achieving measurable cost reductions while maintaining service quality and SLA standards.
- Drive **campus community engagement** as part of employer branding and public relations — conduct **mock interviews for pre-final year students** at partner colleges, building institutional relationships that strengthen the early-talent pipeline.

Senior IT Recruiter (Contract)

Jun 2022 – Nov 2022

Virtusa · Chennai, India · *Global IT services · High-volume product & engineering hiring*

- Owned full-cycle IT recruitment — from requisition intake and job architecture to offer release — closing **50+ hires** across product, engineering, QA, and cloud functions within a 6-month contract.
- Reduced average hiring cycle from **25 days → 17 days** by implementing parallel interview scheduling, pre-qualified talent pipelines, and 24-hour feedback SLAs with hiring managers.
- Deployed **Veriklick and Talview for async technical assessments** — freed approximately **10 engineering hours per week** while improving screen-to-interview conversion quality.
- Built a candidate experience framework — structured communication touchpoints from offer to Day 1 — reducing pre-joining dropout during notice-period gaps.
- Executed campus hiring drives and end-to-end BGV processes; maintained a **>90% offer-to-joining conversion rate** across the contract tenure.
- Partnered with hiring managers and vendor partners to meet monthly targets consistently with zero escalation on SLA breaches.

HR Recruiter (Contract)

Mar 2021 – Dec 2021

HCL Technologies · Chennai, India · *Fortune 500 IT company · Multi-function hiring across India*

- Executed full-cycle recruitment across **10+ IT functions** — managed sourcing, panel coordination, compensation benchmarking, offer management, and documentation for permanent and contract hires.
- Served as the single point of contact across **15+ hiring panels and vendor partners** — maintained consistent communication cadence that improved offer-acceptance rates and reduced Day-1 no-shows.
- Led structured **mass hiring events and walk-in drives** handling **100+ candidates per event**; managed panel allocation, real-time status tracking, and candidate communication for smooth, high-volume execution.
- Drove debrief standardisation with hiring managers — introduced consistent evaluation criteria across teams, reducing inter-panel inconsistency and improving first-offer acceptance rates.
- Built and maintained a **talent pool of 500+ pre-screened candidates** across tech domains — significantly reduced sourcing lead time for repeat requirements.
- Managed new-hire onboarding documentation, HRMS data entry, and compliance paperwork — ensured zero compliance gaps across all hires during tenure.

IT Recruiter (Contract)

Dec 2019 – Jan 2021

Infomatics Inc. · Chennai, India · *IT staffing & recruitment · Permanent and contract placement*

- Delivered end-to-end recruitment across IT verticals — managed the full hiring lifecycle from JD creation and multi-channel sourcing to offer negotiation and joining formalities for **permanent and contract roles** across multiple clients simultaneously.
- Coordinated with **8+ vendor partners** — established SLA-driven performance tracking to prioritise high-yield sourcing channels and reduce dependency on low-conversion platforms.
- Developed a niche-skill candidate database that reduced time-to-shortlist by approximately **20% for repeat technology roles** by maintaining a living pipeline of pre-assessed profiles.
- Led hiring events and walk-in drives with end-to-end logistics ownership — zero SLA breaches maintained across all active mandates.
- Participated in client relationship management — delivered weekly progress reports and joined client calls to refine hiring mandates, contributing to high client-retention and repeat business.
- Handled offer letter preparation, document verification, and joining formalities — ensured a seamless candidate experience from acceptance to Day 1.

HR Trainee

Aug 2019 – Nov 2019

BUZZ Works Solutions · Chennai, India · HR solutions firm · Foundation in recruitment and HR operations

- Assisted with end-to-end recruitment coordination — CV screening, interview scheduling, candidate communication, and feedback collation across active requisitions.
- Managed HR documentation and record-keeping — maintained accurate files for new hires, attendance registers, and employee evaluation records in line with internal SOPs.
- Supported training logistics — coordinated session scheduling, trainer availability, material distribution, and post-training feedback collection for new-joiner induction programs.
- Contributed to onboarding support — prepared new hire kits, induction checklists, and orientation decks; ensured a smooth Day-1 experience for every new employee.
